

City Sound Brass Choir

New time :

**Dominguez High School
Band Room
15301 San Jose,
Paramount, California
90723**

Sundays ³~~4~~pm to 6pm

The City Sound Brass Choir is an element of the City Sound Drum and Bugle Corps. The purpose of the ensemble is to give an opportunity for brass musicians to work on their craft, perform with a brass choir, and to learn from one of the best brass instructor in the area. This ensemble is open to brass musicians of all ability levels age 13 – 21 years old.

By attending we will be able to assist the developing brass student with technique and ear training. Additionally; this ensemble will give the more experienced musician the opportunity to take a leadership role in their specific section and hone their skills with sight-reading and musicianship. The difficulty level of the music will range in complexity, with some of the music being arranged exclusively for the City Sound Brass Choir. Rehearsals have been designed and will be lead by **City Sound Brass Caption Greg Flores**.

Rehearsals are held at Dominguez High School, 15301 San Jose, Paramount , California 90723. Rehearsals are on Sundays from **3**pm to 6pm beginning September 19 through January. To maintain consistency in the member's playing, bring your own instrument and mouthpiece. (Some instruments will be provided.)
